

Bible Lessons

Flocked, Flashcard and PowerPoint® Lessons

CEF Bible lesson series offer a systematic approach to Bible teaching. Each series includes five or six lessons based on a theme, character or book of the Bible. Biblically sound Gospel presentations and growth applications are built into each lesson. You'll love the full-color flocked, flashcard or PowerPoint visuals that help you show the story as you tell it. The PowerPoint CDs also include the lesson text, visualized Bible verses (KJV and NIV) and selected song visuals. Most also include the missions story (visuals and text).

Old Testament

Beginnings

With so many secular versions of the world's origin, children need to hear God's truth more than ever! This five-lesson series includes creation, the origin of sin, Cain and Abel, Enoch and Noah. Children are reminded to thank God for salvation from sin's punishment, worship God the Creator with a right attitude, listen to God and walk with Him in faith and obedience.

Patriarchs

Teach children about the power of God through the dramatic stories of His servants Abraham, Isaac and Jacob. Children will learn to trust God and put Him first. The five-lesson series includes the call of Abraham, Abraham's sacrifice of his son, a bride for Isaac, Jacob and Esau's blessings and Jacob's flight from home. Children are also reminded to obey God, draw courage from Him, follow His guidance and resist sin.

Joseph

Use this five-lesson series about Joseph to teach children the alternative to hatred and revenge: God's love and the power of forgiveness. This beloved son sold by his brothers and tempted by Potiphar's wife later became governor of Egypt and showed tremendous mercy.

Moses: Chosen Deliverer

This six-lesson series encourages boys and girls to trust God to care for them and enable them to do what He asks. Lessons include Moses' birth, call and appeals to Pharaoh; the plagues; the Red Sea crossing and the complaining of the people. Children will learn to trust God's sovereignty and be content with what God gives them.

Moses: The Lawgiver

Give children a role model they can look up to as they continue on their journey with Moses. Lessons include the giving of God's law on Mount Sinai, the people's idolatry, the spies' exploration of Canaan, Moses' sin, the brazen serpent and the Transfiguration of Christ. Use this dynamic six-lesson series to challenge kids to worship and obey God.

Judges: Disobedience and Deliverance*

This six-lesson series features Israel's broken promise to obey God and the stories of Deborah and Barak, Gideon and Samson. The lessons challenge children to put God first, set a good example, be bold for God, trust His strength, follow His will and choose to live a pure life.

David: A Man after God's Heart

This six-lesson series includes Israel's demand for a king, Saul's disobedience, God's choice of David to be king, David's victory over Goliath, Saul's attempts to kill David and David's sparing of Saul's life. Children are challenged to give God first place, seek His strength when they're tempted, keep their hearts right with Him, count on Him to give them courage, stop the sin of jealousy and do good even to those who mistreat them.

David's Reign: Trials and Triumphs*

This six-lesson series takes David from defeat in the land of the Philistines to victory over the Amalekites, from suffering as a refugee to exaltation as king over all Israel and from sin with Bathsheba to repentance. Children are challenged to look to God for victory over problems, wait for God to use them, choose God's right way, show His lovingkindness to others, be honest at all times and commit themselves to obeying God. Use this series as a follow-up to *David: A Man after God's Heart* or as a study by itself.

Elijah: Prophet of the Living God

Throughout Elijah's life God miraculously provided for his every need, just as He provides for every child's need. The lessons cover God's provision for Elijah, the contest on Mount Carmel, Elijah's discouragement, Naboth's vineyard, the passing of Elijah's ministry to Elisha and the Transfiguration. Children learn to trust God, put Him first in everything, be content with what He provides and follow His plan.

Elisha: Prophet of the Faithful God

Children learn to depend on God's faithfulness through lessons about Elisha's authority, the widow's oil, the Shunammite's son, Naaman, the Syrian army and the siege of Samaria. The lessons will encourage children to show respect for God's workers, trust in God at all times and witness.

Esther

This inspiring six-lesson series from the book of Esther helps children recognize and appreciate God's providential care for His people and in every area of their own lives. Children are taught to obey God because His plans are best, choose to stand for God, call on God for help, be humble, show concern for others and praise God for His providence.

Daniel: Strong in the Lord

The courage of Daniel and his three friends will help children stand for God no matter what the cost. The six-lesson series about an ungodly king's tests, dreams and insanity; a fiery furnace; handwriting on a wall and a den of hungry lions shows God's faithfulness to strengthen His children and enable them to stand for Him. Children are encouraged to avoid sin, ask God for wisdom, give God the credit He deserves and be steadfast and faithful to Him.
