A BETTER LIFE

A Better Life has been designed by CEF of Europe specifically for the refugee children who read Arabic. There has been an influx of Arabic speakers into the USA. This unique tool will allow you to reach these children with the life changing Gospel. If you read it one direction it is in English and from the other direction it is in Arabic. There is not a CEF logo for the purpose of overseas use and security. The booklet is the story of Abraham.

MEET THE KING
