

What Ages 15-17 Can Learn

| Physical | Mental | Emotional | Social | Spiritual |
|---|---|---|---|--|
| <p>Are growing slowly, now past the awkward stage.</p> <p>Exert great energy if interested.</p> <p>Crave normal new experiences with the other sex.</p> | <p>Are keen, inquisitive, daring, creative in working out their own ideas.</p> <p>Reason is developing, but as yet not clear or reliable.</p> <p>Often doubt, and want to test previously accepted ideas for reality and practicality.</p> <p>Looking for vocation.</p> | <p>Are quick to humor in immediate situations.</p> <p>Assume a critical, sophisticated attitude to bolster self-confidence.</p> <p>Emotional upsets are deeper rooted and more lasting.</p> | <p>Are inclined to rebel against the direct exercise of authority.</p> <p>Tend to be more individualistic, to form exclusive cliques centered around a common interest, on one social level.</p> <p>Need guidelines for courtship and dating. Need to see that choices have various consequences.</p> | <p>Need Christ as the great Master Builder who has the ideal plan for each life.</p> <p>Need to experience victorious, daily living in Christ.</p> <p>Need to become involved with the church as a unit.</p> |
