

What Ages 18-24 Can Learn

| Physical | Mental | Emotional | Social | Spiritual |
|---|--|---|--|--|
| <p>Have reached physical maturity.</p> <p>Enjoy the greatest physical endurance.</p> <p>Are usually finished schooling and are working. Need to understand how to properly manage their time, priorities and goals.</p> | <p>Are able to think creatively about abstractions and intangibles.</p> <p>Understand most figures of speech.</p> <p>With experience and discipline, become increasingly realistic and reliable.</p> <p>Should explore many fields but begin to specialize according to ability.</p> <p>This is a fabulous age level to get more involvement from their growing intellectual curiosity and stimulation. Many teachers can be made from this age level.</p> | <p>Acquire greater depth and breadth in humor.</p> <p>Are usually able to control emotions by faith, experience, fortitude and rationality.</p> <p>Are most responsive to challenges that are worthy of their best.</p> | <p>Should be able to assume responsibility in the adult world.</p> <p>Need to learn the proper roles and relationships in the family unit like how to raise or discipline children. Marriage and its commitment need to be emphasized.</p> <p>Give full recognition to authority when backed by prestige.</p> <p>Develop deep personal friendships, have many acquaintances, enjoy mixed groups.</p> <p>Need interaction among other members. Need to feel useful.</p> | <p>Need the Lord and His Word as the only sure foundation for life.</p> <p>Need to develop a consistent Christian world and life view.</p> <p>Young people need to be taught how to combat the teaching and event of our day: freedom of speech, women's lib, drugs, worldliness, evolution etc.</p> <p>Need to be involved.</p> <p>Need to know that their faith is their own. Need to be able to defend their beliefs.</p> |
