ASST Module 2 Starts July 3

Launched on 6 February this year, the Academy of Sunday School Teachers (ASST) has been very well-received, with 64 registrations from 22 churches to date. On average, 46 participants attended the programme each week.

Feedback from participants have been very encouraging:

“ASST provides fresh ideas in teaching children and offers different perspectives as we hear from the sharing of others.”

“I’m more equipped in the Word of God and learnt how to make Bible stories come alive in my teaching.”

“The generous download of PowerPoint presentations helps to teach children with visuals.”

“I thank God to be in ASST. Though it is very tiring sometimes, I look forward to Thursdays ... sessions are well-planned and organized.”

ASST is offered as a training arm to churches that want to strengthen their teachers’ grasp of the flow and relationship of biblical events as well as the principles and skills of teaching children effectively. It is a continuous training programme held every Thursday (except the 5th Thursday, and public and school holidays). We have thus far completed Module #1 on the Life and Ministry of Christ.

JOIN THE NEXT MODULE! Module #2 on the Flow of Old Testament History will begin on 3 July and will run for 16 weeks. To date, we have received 19 new registrations for ASST. For a detailed schedule of training topics (see ASST calendar) and to register online, visit <http://www.cef-singapore.com>.

Target: Around the World in 80 years

The Lord has placed upon the heart of our CEF leadership the inspiration to set an exciting goal: "Around the World in 80 Years!" This goal is to have established CEF work in every nation by 2017 which is 80 years from the birth of CEF.

Two more countries (Sweden and Samoa, an island in the Pacific) have opened chapters in recent months! This takes us to 188 countries with active ministries with 20 target countries remaining. Join us to thank and praise the Lord.
